PRIVATE

In his second Pirate Videodeluxe movie, Kovi again demonstrates his flair for fetish as he takes us on a spine chilling two hour long four scene ride through the after life. As we pass through the surreal scenarios that flash before our eyes, from heavenly serenity to the fires and sulfurous smoke of Kovi's hell, things just get hotter and hotter. The succulent Sophie Evans is joined by a string of other scrumptious slots including such favourites as Lauren Kiss and Michelle Wild, and some new faces with newcommers Angel and Nikol debuting in their first Private movie.

Mit diesem zweiten Film von Pirate Videodeluxe zeigt uns Kovi erneut seine unwahrscheinlich ausgeprägte Veranlagung zum Fetischismus. Während zwei Stunden führt er uns durch Reihe von schaudererregenden Szenen bis hin ins Jenseits. Je mehr er uns in ein surrealistisches Ambiente eindringen lässt, das er vor unseren Augen auftauchen und dann wieder verschwinden lässt, und Kovi uns die himmlische Gelassenheit als auch das Fegefeuer und die Schwefeldämpfe der Hölle kennenlernen lässt, desto aufgeregter werden wir. Neben der üppigen Sophie Evans spielen in diesem Streifen eine Reihe uns gut bekannter, wohlgeformter Weiber wie Lauren Kiss und Michelle Wild mit. Außerdem bekommen wir einige neue Gesichter zu sehen, wie zum Beispiel die von den Brasilianerinnen Angel und Nikol, die hier ihr Debüt in einem Film von Private geben.

I den här filmen, som är den andra från Pirate Videodeluxe, visar Kovi oss än en gång sin otroliga fetischistiska instinkt, när han under två timmar tid tar oss med på en hårresande resa med en följd av scener, som tar oss ända till de yttersta gränserna. Efter hand som vi tar oss in i surrealistiska miljöer som kommer och går framför våra ögon, allt i från den himmelska friden till Kovis helvetes flammor och svavelångor, blir allting allt hetare och hetare. Den frodiga Sophie Evans har vid det här tillfället sällskap av en hel serie läckra honor, välbekanta för oss alla såsom Lauren Kiss och Michelle Wild, lika väl som några nya ansikten som de allderles nytillkomna Angel och Nikol, som här begår sin debut i en Privatefilm.

En esta segunda película de Pirate Videodeluxe, Kovi nos demuestra una vez más su increíble instinto fetichista, conduciéndonos durante dos horas por una escalofriante sucesión de escenarios hasta el más allá. A medida que nos adentramos en surrealistas ambientes que aparecen y desaparecen ante nuestros ojos, desde la serenidad celestial hasta las llamas y los vapores sulfúricos del infierno de Kovi, todo se vuelve más y más caliente. La exuberante Sophie Evans está en esta ocasión acompañada de una serie de suculentas hembras bien conocidas por todos, como Lauren Kiss y Michelle Wild, así como de algunas caras nuevas, como las de las recién llegadas Angel y Nikol, que realizan aquí su debut en una película de Private.

Dans ce deuxième film de Pirate Videodeluxe, Kovi nous montre toujours son instinct fétichiste dans un terrifiant voyage de deux heures jusqu'à l'au-delà, tout au long d'une série de scènes inquiétantes. A mesure que nous parcourons des endroits de plus en plus surréalistes, qui disparaissent devant nos yeux, et qui vont de la sérénité céleste jusqu'aux flammes et vapeurs de soufrenses de l'enfer particulier de Kovi, les choses deviennent de plus en plus chaudes. La bandante Sophie Evans est accompagnée par une liste de belles, y compris les déjà bien connues Lauren Kiss et Michelle Wild, ensemble avec quelques nouveaux visages, tels que les débutantes Angel et Nikol, dans leur premier travail sur l'écran pour Private.

In questo secondo film della Pirate Videodeluxe, Kovi ci fa vedere ancora una volta il suo incredibile istinto feticista, portandoci per due ore in una incredibile successione di scene sino all'aldilà. Man mano che ci addentriamo negli ambienti surrealisti che appaiono e scompaiono davanti ai nostri occhi, dalla serenità celestiale sino alle fiamme ed i vapori solforici dell'inferno di Kovi, tutto diventa sempre più caldo. L'esuberante Sophie Evans è questa volta accompagnata da una serie di succulenti femmine ben note a tutti, come Lauren Kiss e Michelle Wild, come pure alcuni volti nuovi, come le ultime arrivate Angel e Nikol, che fanno proprio qui il loro debutto in un film di Private.

Steve Holmes works as a shoe salesman in a fashionable ladies shoe shop. He visibly enjoys his work, avidly admiring the beautiful stocking encased legs. One fateful day 2 gorgeously beautiful young girls come into the shop to buy some shoes, however, Steve Holmes's interest in their legs and feet leads to some sexy foot games. As he approaches orgasm they stop and hand him an invitation to a party.

Steve Holmes arbeitet als Verkäufer in einem Damenschuhgeschäft, das zur Zeit sehr in Mode ist. Er ist von seiner Arbeit begeistert, denn wenn er die Kundinnen bei der Auswahl berät, hat er Gelegenheit, ihre langen, wunderbaren Beine zu bewundern, deren Schönheit durch die Strümpfe noch unterstrichen wird. Zwei außergewöhnlich hübsche Mädchen kommen eines Tages, um sich ein Paar Schuhe zu kaufen. Als sie das Interesse bemerken, welches Steve an ihren Beinen hat, beginnen sie ein sexy Spiel. Als Steve kurz vor dem Abspritzen steht, unterbrechen sie plötzlich ihr Spiel und laden ihn zu einer Party ein.

Steve Holmes arbejder som skoselgsbedrift i en bestemt damesko forretning. Han nyder tydeligt sit job med at hjælpe smukke kvindelige kunder deres skoe på, mens han ophidset betragter deres smukke strømpeklædte ben. En skæbnesvanger dag kom to ufatteligt smukke unge piger ind i forretningen for at købe nogle sko. Smart nærmede deres hemmigt sig dog, da de så Steve Holmes's interesse for deres ben og fødder og der opstår nogle sexede fodlege. Da han er nær orgasmen, holder de inde og giver ham en invitation til en fest.

Steve Holmes es vendedor de calzado en una zapatería femenina de moda. Un fatídico día entran en la zapatería dos hermosas jóvenes con el fin de comprarse unos zapatos. No obstante, sus propósitos cambian radicalmente al darse cuenta del interés de Steve Holmes por sus extremidades inferiores, iniciándose un insinuante juego de pies. Cuando él está a punto de alcanzar un orgasmo, las jóvenes le interrumpen y le entregan una invitación a una fiesta.

Steve Holmes travaille comme vendeur de chaussures dans une cordonnerie de mode pour dames. Il se sent visiblement à l'aise avec son travail, en aidant toutes les clientes à trouver la paire de souliers qui mieux leur convienne, et en admirant en même temps ses belles jambes enganées dans les collants. Un jour heureux, deux bandantes jeunes filles sont entrées dans le magasin pour acheter une paire de chaussures ; ses intentions, cependant, changerent rapidement en apercevant l'intérêt de Steve Holmes à leurs jambes et pieds, et entreprirent un petit jeu sexy avec leurs extrémités. Lorsque le type sentait l'orgasme approcher, elles s'arrêtèrent et lui firent invitation d'aller à une fête.

Steve Holmes fa il commesso in un negozio di calzature di gran moda per donne. Visibilmente il suo lavoro gli piace molto, soprattutto aiutare tutte le clienti a provarsi le scarpe ammirando con eccitazione le splendide gambe fasciate nelle calze. Un fatidi, o giorno due splendide ragazze entrano nel negozio per comparsi delle scarpe, ma la loro intenzione, ben presto cambia non appena si rendono conto dell'interesse che Steve Holmes ha per le loro gambe ed i loro piedi, cosa che sfocisa subito in sexy giochi di piedi. Quando sta quasi per raggiungere l'orgasmo si fermano e gli danno un invito per una festa.

CLAUDIA JACKSON

Not quite a newcummer, this sexy Sagittarius is one of the sauciest starlets to come along in quite a while. She had previously done a couple of things for Private, but now she is back in a big way and we'll be seeing a lot of her, and I can promise you that what we're going to get is going to make a big impression! Recently our reporter Dave Densen took some photos of Claudia during the shooting of "Insane Obsession", best of all... Just check out what she got up to in the desert!

Diese sexy Schützenfrau ist nicht gerade ein Neuling in der Welt des Pornos, sondern sie gehört vielmehr zu den provokativsten Stars der Branche. Wir werden sie in Kürze erneut genießen können. Sie hat schon einige Male für Private gearbeitet,

und jetzt ist sie wieder voller Energie zurückgekommen, und ich schwöre euch, was wir von ihr sehen werden, wird nie manden kaltlassen!

Kürzlich machte unser Reporter Dave Densen während der Dreharbeiten von (Insane Obsession) einige Fotos von Claudia, das Beste dabei ist ... ihr Abstecher in die Wüste!

Utan att direkt vara en nykomling, så är denna sexiga Skytt en av de allra fräckaste stjärnor som vi kommer att få njuta av inom kort. Hon har redan tidigare arbetat någon gång med Private, men har nu kommit tillbaka med förnyad kraft och du kan ge dig den på, att det som vi kommer att få se av henne inte kommer att lämna dig oberörd! För inte så länge sen tog vår reporter Dave Densen några kort av henne under inspelningen av (Insane Obsession) och det hänt av allt... hennes avstickare till öknen!

Elle n'est pas exactement une nouvelle arrivée, mais cette fondante Sagittaire est une des plus dévergondées starlettes dont nous allons jouir en bref. Elle a déjà travaillé à quelques occasions avec Private, mais maintenant elle est revenue, disposée à tout faire pour gagner sa place, et ce n'est pas peu!.Il y a quelques jours, notre reporter Dave Densen a pris plusieurs photos de Claudia pendant le tournage d' "Insane Obsession" et la meilleure des choses ... son escapade au désert!

Sin ser exactamente una recién llegada, esta sexy Sagitario es una de las más descaradas estrellas de la que vamos a poder disfrutar en breve. Ya había trabajado en alguna ocasión para Private, pero ha regresado con renovados ímpetus, y ¡palabra que lo que vamos a ver de ella no nos va a dejar impasibles!. Hace poco nuestro reportero Dave Densen le hizo unas fotos a Claudia durante el rodaje de (Insane Obsession) y lo mejor:... ¡su escapada al desierto!

Senza essere veramente l'ultima arrivata, questa sexy Sagittario è una delle stelle più sfacciate di quelle che potremo godersi presto. Ha già lavorato in passato per la Private, ma è tornata con maggior impeto e sono certo che quello che stiamo per vedere di lei non ci lascerà impassibili! Poco tempo fa il nostro reporter Dave Densen ha fatto delle foto a Claudia durante il rodaggio di "Insane Obsession" e ancor meglio,... durante la sua fuga nel deserto!

We are porn consumers, we just love to see sensational girls, desperate to suck on as much cock as they can, getting all of their orifices well and truly reamed by enormous cocks, as big and stiff as our own get as we're watching. Yet we must all have asked ourselves, at some time or other: Do such women really exist? Are slots made or are they born like that? How does Private find its actresses? "Private Castings" is a line of videos that provides the answer to all these questions, and more. The selection of future porn actresses is an extremely delicate process, where the casting director must have the ability to bring out the sexual beast that lurks in every woman's interior.

PRIVATE CASTINGS

Before your very eyes you will see a young girl, of demure expression and sensual curves, her name is Nikky Andersson. When she find out what it's all about her first reaction is to pick up her things and get the hell out of their. But Woodman, the famous director present at the castings, persuades her to stay. She claims she is a virgin, and after a fascinating dialectical exchange Woodman achieves his goal. Nikky loses her cherry right before our eyes in an authentic display of sexual fury. As with Nikky, we see how other girls started out in porn, girls like: Harmony Grant, Gili Sky, Cassandra Wild, Grety, Silvia Saint, and many more who now seem as if they've always been a part of the world of porn. In "Private Castings" you will discover how today's sexual myths were originally persuaded to give their all for your enjoyment.

Wir sind Pornokonsumenten, wir sehen gerne wunderbare Mädchen, die bereit sind, so viele Schwänze wie nur möglich zu lecken und die es genießen, wenn riesige Schwänze in alle ihre Löcher eindringen. Schwänze, die so gewaltig wie unsere beim Anblick dieser Szenen sind. Aber wer hat sich nicht schon einmal gefragt, ob es diese Frauen wirklich gibt? Wird man als Schlampe schon geboren oder wird man erst mit der Zeit zu so einem Weib? Wie kommt Private an seine Schauspielerinnen? „Private Castings" ist eine Videoserie, die Antwort auf alle diese Fragen gibt. Die Auswahl der späteren Pornoschauspielerinnen ist eine heikle Angelegenheit, und der Castingmanager muß geschickt die Sexbestie hervorlocken, die in allen Frauen schlummert. Vor ihm steht ein junges Mädchen mit schüchternem Blick und sinnlichen Kurven. Sie heißt Nikky Andersson. Als man ihr sagt, worum es hier geht, ist ihr erste Reaktion, ihre drei Sachen zu nehmen und wegzugehen. Der berühmte Regisseur Woodman ist bei dem Casting anwesend und überredet sie zum Bleiben. Sie erwähnt, daß sie noch Jungfrau ist. Nach einer interessanten Diskussion erreicht Woodman sein Ziel und vor unseren Augen wird Nikky mit einer wahrhaft rasenden Besessenheit entjungfert. Wir entdecken, wie Mädchen wie Harmony Grant, Gili Sky, Cassandra Wild, Grety, Silvia Saint und noch viele andere in der Welt des Pornos anfingen; es sind Namen, die für uns schon immer etwas mit dem Pornogeschäft zu tun hatten. Verfolge in „Private Casting" die ersten Schritte deiner Sexidole in der Welt des Pornos.

Vi är konsumenter av porr, vi är överförtjusta att se dessa fantastiska flickor, som är beredda att suga kukar, ju fler dess hättre, som njuter av att bli uppborrade i alla sina hål av enorma kukar, lika enorma som vår egen kuk blir, av att se på allt dena. Men vem har inte ställt sig frågorna: "Existerar verkligen de här kvinnorna?" "Blir dessa kåtisar så av sina erfarenheter eller föds dom så?" "Hur får Private tag på sina tjejer?" "Private Castings" är den serie av videos som ger svar på alla de här frågorna. Valet av framtida skådespelerskor för portfilmer är en delikat process, där regissören av provfilmningen måste få den sexuella best, som alla kvinnor bär i sitt inre, att komma fram. Inför hans ögon står en liten tjej med tillbakadragen blick och sensuella kurvor. Hon heter Nikky Andersson. När hon får veta vad det rör sig om, är hennes första reaktion att samla ihop sin grejer och ge sig iväg. Woodman, den berömda regissören är närvarande vid provfilmningen och han lyckas övertala henne att stanna. Hon hävdar att hon är jungfru. Efter en intressant diskussion lyckas Woodman uppnå sitt mål och Nikky blir av med sin mödom inför våra ögon i ett autentiskt sexuellt raseri. På samma sätt upptäcker vi hur tjejer som Harmony Grant, Gili Sky, Cassandra Wild, Grety, Silvia Saint och många, många fler för första gången kom in i den här världen, namn som nu verkar som om dom hade hört ihop med porren för alltid. Upptäck dina sexuella myters första steg i "Private Casting".

Nous sommes des consommateurs de porno; nous adorons voir des filles superbes toujours prêtes à manger la plus grande quantité de bites possible, qui jouissent véritablement lorsqu'elles sont pénétrées dans tous ses trous par des biroutes énormes, aussi énormes qu'en deviennent les nôtres lorsque nous regardons tout ça. Mais, est-ce qu'il y a quelqu'un qui ne s'est jamais posé des questions telles que: " Ces femmes-là, existent-elles en réalité? " ; " La garce en devient au long des années, ou est-elle déjà née comme ça?" ; " Comment fait Private pour avoir ses actrices? ". "Private Casting " est la ligne de vidéos qui vous apporte la réponse à toutes ces questions. La sélection des futures actrices porno est un procès très délicat, où le directeur du casting doit être capable de faire apparaître le fauve sexuel que toutes les femmes ont à l'intérieur. Devant lui se présente une jeune fille au regard timide et rondeurs sensuelles, appelée Nikky Anderson, qui aura envie de partir lorsqu'elle apprendra de quoi s'agit-il. Woodman, le célèbre réalisateur, est toujours présent lors des castings, et il réussit finalement à la persuader pour qu'elle ne s'en aille pas. Elle explique qu'elle est encore vierge. Après un intéressant " tour de force " dialectique, Woodman atteindra son but : Nikky perdra sa virginité devant nos yeux, emportée par une véritable fougue sexuelle. De même qu'elle, nous allons aussi constater comment on fait leur début dans ce monde-ci d'autres filles comme Harmony Grant, Gili Sky, Cassandra Wild, Grety, Silvia Saint et beaucoup plus, des noms qui nous semblent maintenant reliés depuis toujours au porno. Découvrez dans " Private Casting" les premiers pas de vos mythes sexuels.

SEX

HARDCORE MAGAZINE

SEX NOTHING BUT HARDCORE

We interview Sergio R., Editor of the Magazine SEX. This is a magazine of explicit sex which is also edited by PRIVATE MEDIA GROUP. Let's get to know more closely the magazine SEX, through the experience of the person who is at the head of the publication.

Give us a little history about the magazine SEX.

The magazine SEX was created in 1993 to satisfy the great demand, by the public, for another high quality pornographic product from PRIVATE.

Who is the target of the magazine SEX? Sex is aimed at all those people, men and women, who are lovers of the best heterosexual pornography which can, at the present time, be found on the market.

How would you define SEX? I would define the magazine SEX as "heavy porno" which tries to reflect in a health way and without complexes, a subject that is sometimes as unjustly marginated as sex.

Try to define the type of people who participate in SEX: girls, photographers, designers. The type of people who participate in the magazine SEX are young people with an open mind and highly professional in their specialty.

What distinguishes it from the other magazines of the PRIVATE Group? What distinguishes the magazine SEX from the rest of the magazines published under the PRIVATE emblem is that we like to combine in each issue actresses who are already well known in Porno with new girls who are just starting in this business. In addition, from the issue number 32 onwards, we also include a side report about a PRIVATE drama production. SEX is the latest magazine which has been created in PRIVATE MEDIA, a fact which allows us to adjust the content of our publication to the taste of the consumer.

Do you believe that the fact that it came out on the street during the same month as Private is a handicap? No. Absolutely not! I believe that the market is very large and there is room for all. For me, the more magazines there are the better ....

Within the hardcore. How would you place your magazine? SEX is a magazine which includes only and exclusively 100% Hardcore pictures. Our new slogan for the magazine is "NOTHING BUT HARDCORE".

Do you believe that SEX is a reference? Why? Of course! The magazine SEX is a clear example of how to present a subject as taboo as pornography in a pleasant, healthy and elegant way.

Briefly explain the process for the preparation of each new number. The creation process of each number starts with the selection of the models that will appear. This is the most important point since they are the true protagonists of the magazine. Once chosen, it is necessary to contact an adequate photographer to photograph her in the best possible way and when we have all the material we present it. We always use the base of the highest possible quality

standards. Quality is what distinguishes us from the rest of the publications.

In your opinion, what would the ideal number of SEX be? In SEX we always strive for the number we are working on to be better than the last one. This is what helps us to surpass ourselves every day ....

Intervjue med Sergio R., utgivare av tidskriften SEX. Det handlar om en tidskrift, i den man ser ett Tabu behandlat och det är utgivits av PRIVATE MEDIA GROUP publicerad. Vi talar med utgivaren av tidskriften SEX en lite mer om

Informera oss om det som det Historia av tidskriften SEX. Tidskriften SEX publicerades för första gången 1995 och det var det som PRIVATE MEDIA GROUP publicerade som en av de tidskrifter som det var den som det var den som det var den

detta i SEX är unga människor med ett öppet sinne och något professionella i en specialitet.

Vad gör att den väljer sig från andra magasin från gruppen PRIVATE? Vad som gör att magasinet SEX skiljer sig från resten av de magasin, som publiceras under PRIVATE:s märke är, att vi lyckas om att i varje nummer kombinera berömda aktriser inom porren med nya tjejer, som håller på att börja sin karriär i detta yrke. Dessutom inkluderar vi, från och med nummer 32, ett omfattande reportage om filmproduktion från PRIVATE. SEX är det senaste magasin som skapats i PRIVATE MEDIA GROUP, vilket tillåter oss erbjuda innehållet i vår publikation till konsumenternas smak.

Tror du att det faktum att ni kommer ut på marknaden samma månad som Private är ett handicap? Nej, inte alls! Jag tror att marknaden är jättestor och att det finns utrymme för oss alltså. Enligt min åsikt är det bättre, ju fler magasin det finns...

Var står det magasin inom hårdporren? SEX är ett magasin som innehåller enbart och uteslutande 100 % bilder av typ Hardcore. Det är anledningen till att vår nya slogan för magasinet är: "NOTHING BUT HARDCORE" (inget annat än hardcore).

Tror du att Sex är en förebild och i så fall varför? Naturligvis! Magasinet SEX är ett klart exempel på hur man på ett behagligt, sunt och elegant sätt kan presentera ett ämne, som har så många tabun som pornografin.

Förklara för hur det går till att göra varje nytt nummer? Processen för att göra varje nytt nummer börjar med urvalet av de modeller som skall vara med. Det är den viktigaste punkten, eftersom dom är dom verkliga deltagarna i magasinet. När dom väl har valts ut, måste man ta kontakt med den fotograf, som är bäst lämpad för att åstadkomma just henne på bästa möjliga sätt. När vi väl har fått fram materialet, presenterar vi det på bilden av de allra högsta krav på kvalitet, som man inom det möjliga namn kan ställa. Kvaliteten är vad som skiljer oss från övriga publikationer.

Hur skulle Sex det nummer se ut enligt din uppfattning? Inom SEX försöker vi alltid se till så, att det nummer som vi håller på att jobba med skall vara bättre än det föregående. Detta är vad som får oss att överträffa oss själva kontinuerligt...

Intervju med: Sergio R., redaktör för magasinet SEX. Det är ett magasin av sexuellt utnyttjande som publicerats av PRIVATE MEDIA GROUP. Låt oss se lite mer av magasinet SEX, från erfarenheten av den person som är ansvarig för denna publikation:

Berätta för oss lite om magasinet SEX: Magasinet SEX lanserades 1995 för att möta den stora efterfrågan som det fanns på marknaden för publikationen av pornografiskt material av PRIVATE.

Vad är det som

Intervieweo a Sergio R., editor de la revista SEX. Esta es una revista de sexo explícito que también la edita PRIVATE MEDIA GROUP. Conozcamos un poco más de cerca la revista SEX, a partir de la experiencia de la persona que está al frente de esta publicación:

Haz un poco de historia de la revista SEX. La revista SEX se creó en 1995 para satisfacer la gran demanda por parte del público de otro producto de pornografía de alta calidad de la marca PRIVATE.

¿A quién va dirigida SEX? SEX va dirigida a todas aquellas personas, hombres y mujeres, amantes de la mejor pornografía heterosexual que se puede encontrar actualmente en el mercado.

¿Cómo definirías Sex? Yo definiría a la revista SEX como una revista de porno duro que intenta reflejar de una manera sana y sin complejos un tema a veces tan mangado injustamente como el del sexo.

Intenta definir un poco el tipo de gente que participa en SEX: chicas, fotógrafos, diseñadores. El tipo de gente que participa en la revista SEX es gente joven, con una mente abierta y altamente profesional en su especialidad.

¿Qué la distingue de las otras revistas del grupo Private? Lo que distingue a la revista SEX del resto de las revistas que se publican bajo la marca PRIVATE es que nos gusta combinar en cada número actrices ya consagradas del Porno con nuevas chicas que están empezando en este negocio. Además a parte del número 32 incluimos también un amplio reportaje sobre una producción cinematográfica de PRIVATE. SEX es la última revista que se creó en PRIVATE MEDIA GROUP lo cual nos permite ajustar el contenido de nuestra publicación al gusto del consumidor.

¿Crees que es un handicap el hecho de salir a la calle al mismo mes que Private? No, en absoluto. Creo que el mercado es muy grande y hay sitio para todos. Para mí cuantas más revistas haya mejor...

Dentro del hardcore ¿Cómo situarías tu revista? SEX es una revista que incluye única y exclusivamente imágenes 100% Hardcore. De ahí que nuestro nuevo eslogan para la revista es: "NOTHING BUT HARDCORE" (Nada más que hardcore).

¿Crees que Sex es un referente? ¿Por qué? Por supuesto. La revista SEX es un claro ejemplo de como presentar de una manera agradable, seria y elegante un tema tan tabú como la pornografía.

Explícate un poco el proceso para realizar cada nuevo número. El proceso de creación de cada número empieza con la selección de las modelos que aparecerán. Éste es el punto más importante ya que son ellas las verdaderas protagonistas de la revista. Una vez escogidas hay que ponerse en contacto con el fotógrafo adecuado para retratarla de la mejor manera posible y cuando ya tenemos todo el material lo presentamos siempre bendiciones en los más altos estándares de calidad posible. La calidad es lo que nos distingue del resto de publicaciones.

¿Cómo sabe el número ideal de Sex para ti? En SEX siempre intentamos que el número que estamos realizando sea mejor que el anterior. Eso es lo que nos ayuda a superarnos cada día...

Intervistiamo Sergio R., editore della rivista SEX, una rivista di sesso esplicito che viene pubblicata da PRIVATE MEDIA GROUP. Andiamo a conoscere più da vicino la rivista SEX, in base all'esperienza della persona che guida questa pubblicazione:

Ripassa brevemente la storia della rivista SEX. La rivista SEX è stata creata nel 1995 allo scopo di soddisfare la notevole domanda del parte del pubblico di un nuovo prodotto di pornografia d'alta qualità della marca PRIVATE.

A che si rivolge SEX? SEX si rivolge a tutte quelle persone, uomini e donne, che scelgono la migliore pornografia etero-sessuale che attualmente si può trovare sul mercato.

Come definirsi Sex? Definire la rivista SEX come una rivista di porno duro che cerca di rifiutare in modo sano e privo di complessi un tema a volte tanto ingiustamente emarginato come il sesso.

Cerca di definire brevemente il tipo di gente che partecipa a SEX: ragazze, fotografi, designatori. Il tipo di gente che partecipa alla rivista SEX è gente giovane, con una mente aperta e altamente professionale nella sua specialità.

Cosa la distingue dalle altre riviste del gruppo Private? Quel che distingue la rivista SEX dal resto delle riviste che vengono pubblicate dalla marca PRIVATE è la nostra tendenza a combinare, in ogni numero, altro già conosciuto del porno con nuove ragazze che si stanno addentrando in questa specialità. Inoltre, a partire dal numero 32, abbiamo deciso anche d'inserire un servizio approfondito su una produzione cinematografica di PRIVATE. SEX è l'ultima rivista creata da PRIVATE MEDIA GROUP, e quindi ciò ci consente di impostare il contenuto della nostra pubblicazione in base al gusto del consumatore.

Credo che il fatto di usare nello stesso mese di Private possa rappresentare uno svantaggio? No, assolutamente no. Credo che il mercato è molto grande e che ci sia posto per tutti. Per me, quanta più rivista vi siano, tanto meglio...

Nell'ambito del hardcore, come situerebbe la sua rivista? SEX è una rivista che presenta unicamente ed esclusivamente immagini 100% hardcore. A ciò si deve il fatto che il nostro nuovo slogan per la rivista sia: "NOTHING BUT HARDCORE" (Niente altro che hardcore).

Crede che Sex possa essere considerata un punto di riferimento? E perché? È ovvio. La rivista SEX è un chiaro esempio di come si può presentare in un modo gradevole, sano ed elegante un tema tanto tabù come la pornografia.

Spiegaci in breve il procedimento che utilizzate per realizzare ogni nuovo numero della rivista. Il procedimento di creazione di ogni numero viene avviato dalla selezione delle modelle che devono apparire. Questo è il punto più importante, dato che esse sono le reali protagoniste della rivista. Una volta scelte, bisogna mettersi in contatto con il fotografo giusto, per ripondere nella maggior maniera possibile, e quando abbiamo già tutto il materiale a disposizione lo presentiamo, ma sempre basandosi nei più alti standard di qualità possibili. La qualità è quel che ci distingue dal resto delle pubblicazioni.

Per lei, come valutereb e numero ideale di Sex? Noi di SEX cerchiamo sempre di fare in maniera tale che il numero che stiamo realizzando sia migliore di quello precedente. In questo modo possiamo superarci giorno per giorno ...

Nothing of any importance had changed since the hurricane swept over us a few hours ago. The yacht's hull had received a lot of superficial damage but we were not taking on water. The satellite location equipment, the radio and the motor were all out of action. There was nothing we could do but wait and hope that sooner or later someone would find us, or that we would drift into sight of land, not that we were in any particular hurry mind you. Despite everything we still had plenty of food and drink, enough to be able to survive for a month on the high seas. With no losses to mourn we settled down to making the most of our luck, three guys and six girls lost on the big wide ocean. We had nothing better to do than fuck, fuck some more, and then fuck again… The gentle calm in which we now drifted was an open invitation, more than ever, to throw all caution to the wind… But perhaps it would be better to start at the beginning…

Carla and I had gone to Kingston to sort out some business matters, but how could you possibly take a trip to Jamaica without taking advantage and getting a bit of leisure time in as well. One day, while we were out enjoying the exquisite delights of lunch at a local restaurant, we got to know Mia and Cornelius. They were on their honeymoon and immediately suggested that we meet up with them that same night for dinner. Needless to say after the sumptuous dinner I decided to chance my arm: "How about coming back to our room for a few drinks?", I suggested. They were both up for it, which made me think that it was going to be an interesting night, the two of them were far from being innocents abroad. As soon as we got back to the hotel both of our respective slutz went off for a shower, to freshen up, or so they said, while Cornelius and I poured the drinks. We soon decided it would be a great idea to give them a bit of a surprise, so we stripped off ready to leap on them and give them a good shagging as soon as they came out of the bathroom. However they took so long to come out that we figured we'd better enter ourselves and find out exactly what they were getting up to in there. Sure enough we found the two of them getting it on in the shower: "You slutz certainly didn't lose any time, did you?", I said, grabbing Mia from behind, pushing my cock between her legs and mauling those ample and slippery boobs. With one hand I guided my palpitating knob-end on a delightful tour, probing every fold and crease of her ass and pussy. At the same time Cornelius was enjoying the delights of one of the stupendous blowjobs that are my wife's particular speciality: "Suck on it you bitch… Hey man your wife's a regular vacuum cleaner… Yeah, that's what I call sucking… Ohhhh!", muttered Cornelius as the jet of water from the shower beat down on him. It was a really spacious shower allowing plenty of room for all four of us. By that time I was already reaming Mia's ass out while she employed her considerable arts in squeezing and tickling Carla's clit, slipping her fingers in and out of my wife's silky cunt. It really was the start of a sensational session, which really took off when we all got into the enormous jacuzzi, it was, after all, a really classy hotel. I started seriously belabouring Mia's asshole: "Ohh split me down the middle… you fucking bastard… Oooh! Yeah!! Like that…", she screamed as I upped the pace, a jet of water massaging my balls and turning me on even more. Beside us my wife lay back with her legs spread as far apart as they'd go while Cornelius drilled her alternately front and back with that immense cock of his, never ceasing for a moment, pulling it out of her cunt and driving it up her ass, out of her ass and back in her cunt, which is just the way she likes it: "Your cum-slut wife really… Hmmphh… knows… what she… Take that you bitch! … wants…", he grunted. We were obviously two couples with similar interests and we kept on shagging till the early hours, when we finally collapsed exhausted onto the king-size double bed.

It wasn't until the next morning, in a flash of inspiration, that my brilliant idea occurred to me. Why didn't we rent a yacht between the four of us and take a trip round the neighbouring islands. Everyone thought this was a fantastic idea so we went down to see the hotel manager and he put us in touch with a guy called Sean: "Go down to the north jetty and ask for him there, when you see the boats he's got you won't hesitate for a moment…", He was absolutely right, this guy Sean had three magnificent yachts of authentic luxury, and we could take our choice. I asked him how much, but he shook his head, scratched his crotch and gave the girls a lewd wink: "The boat's on me, I'll take you out myself", he said smugly. What a set up he had going there, and on top of everything the crew consisted of two of the sexiest pieces of ass I'd ever seen in my life: "This is Paula and Rebeca.", he said waving vaguely in their direction, as he mentally undressed Mia and Carla. The yacht we chose had everything you could possibly want, spacious cabins, a saloon that you could have danced in, and an ample deck… without forgetting the two gorgeous babes, it was just perfect. The plan was as follows: we'd sail from Kingston to Port Georgetown, on Grand Cayman, without stopping on the way, sailing south of Jamaica and across the Cayman Trench. With all the luxuries available on board I couldn't see what else we'd need. Sean even booked the hotel for us in Georgetown where, if all went according to plan, we would arrive in five days time.

The very next day we set sail, lazing about on the yacht's immense deck and soaking up the sun. Captain Sean was a pretty handsome guy, something which Carla had picked up on straight away, as she mentioned to me the night before we jet off: "I really fancy getting fucked by that captain…, his cabin must smell of sea salt and sunlan lotion; did you see how tanned he was?" At the time I was eating out that succulent cunt of hers before we packed our cases. As I was saying, the crew were absolutely gorgeous, and they sure loved to show it in those tight shorts and bikini tops, swelling fit to burst under the weight of their pendulous breasts. My cock was straining real hard against my trunks and my balls felt like they were about to burst. I scuffled down to the cabin, I was even thinking of having a quick wank to relieve the pressure, but as I opened the door I bumped into Paula, the redhead: "Hi. Just checking that everything's in order…", she said, closing the door, sliding the bolt and brazenly squeezing my cock through my swimming trunks. Well that's us off to a good start, I thought, grabbing her by the neck and pushing her down on her knees. She immediately pulled my trunks down, allowing my cock to spring free, and wrapped her lips around it. Her hot skin was liberally anointed with sun tan oil: "Ohh suck on that you slut, oh yeahhh! Mmmmm…!", I urged her on, grabbing her by the ears and pulling her on to me. When I'd satisfied her oral needs, she stripped off and I started to shaft her cunt right there on the floor. I was just getting her up to melting point when there was a knock on the door and someone called, it was her crewmate Rebeca. I slid the bolt back to let her in and she got stuck straight into our lubricious game. Right there I had the whole of the yacht's female crew ready to satisfy my every whim: "I'm gonna fuck the two of you until you beg me for mercy… you filthy cum-slutz!" I threatened, my crude language turning them on no end –I find this usually works, most women just can't resist it- While I was eating Rebeca's cunt out Paula got on top of me and began to gallop away as if her life depended on it. I grasped her waist and slowed her down a little. Her splendid tits, now free of all restraint, described impressive ellipses in the air, bouncing uncontrollably. At the same time the slight sway of the rollers began to provoke a pleasant sensation in my gut, it was like being on a fun-fair ride. I finished off by reaming out Rebeca's tight little asshole, until I was at the point of no return, then pulling it out I let them have a good splattering in their grateful, smiling faces: "Now eat it all up like good little girls… Hmmphh… Yeah… Aaahhhh…!" I groaned as the two of them took turns to suck my cock dry, before licking each other's faces clean, they didn't miss a drop.

We lay around for a while, as I gave their shaven slits a thorough tonguing, and then went back on deck. Having had their fill of semen they had to get back to being seamen, or should that be seawomen… Whatever, as we came up on deck I could barely believe what my eyes beheld, my wife, Mia, Cornelius and Sean were all absorbed in a rich tableau of sexual frenzy. They were all stark naked. Carla was tied, legs akimbo, to the mast, while Sean set about mercilessly lambasting her ass with his impressive member. And Cornelius and Mia were rolling about the deck glued into a classical sixty-nine. Cornelius's face almost completely buried between Mia's ample cunt-lips, while she in turn had somehow managed to slide his whole length into her capacious mouth: "I see you guy's haven't been wasting your time…", I exclaimed with heartfelt admiration. Sean invited me to take over Carla's punishment, and given my strident erection I was more than happy to oblige. I grasped

her by her powerful hips and ploughed my cock repeatedly into her already lubricated asshole, my balls thwacking vigorously against her drooling cunt: "Take that you slut… Here's your favourite cock… Hmmmphh!", I cried slamming my hips forward and up and mauling her tits. I yanked and nipped her protuberant nipples until she cried out in pain, "Ohhh fuck me, fuck me… Harder, harder. Ohh my god that hurts… Ohh Yeahhh! squeeze me harder!… Mmm, like that!". Once I'd given her a thorough working over Sean untied her and we gave the slut a sandwich. First I filled that ravenous cunt of hers and then Sean sank his cock up her ass as she twisted and writhed in bliss: "Anchors away!", cried Sean to his crew, who jumped to it straight away, bringing us to a halt in the middle of nowhere, and allowing the crew to join the party. Suddenly Cornelius found himself with three slutz to satisfy: "Hey one of you guys'll have to give me a hand here…", he pleaded. I left Sean reaming my wife's ass with gay abandon and wandered over to the group with my cock waiting about in front of me. Mia got on her knees before me and started to suck on my palpitating reddened member: "Suck on hat you filthy bitch… I'm gonna fill you so full of cum that you'll drown…", Cornelius by now had got Rebeca and Paula subjugated. Both of them were on their knees, faces pressed against the deck, their asses stuck up in the air. Cornelius was reaming their asses alternately, one after the other, again and again. He was working away gleefully, absorbed in a frantic rhythm, never missing a stroke, pulling it out of one ass and sinking it directly into the other. As he worked on one of their asses his hand disappeared up the other ones cunt. After a while I could hold back no longer and came, blowing my wad copiously into Mia's face, I don't know whether it was the Kingston diet, rich in shellfish, but I'd never come so abundantly in my life before, jet after jet of hot spunk poured forth, covering her face, dribbling down her chin and pouring in rivulets onto her tits.

As we lay about, exhausted after our first group session, the sky turned black, as if a curtain had fallen. Sean and his crew could barely believe that such a sudden meteorological change could occur in such a short time. They immediately took up their posts, started up the motor and weighed anchor. Sean tried to make radio contact with Kingston, or with Grand Cayman, but it was impossible. We were exactly halfway between Jamaica and the islands, precisely the worst place to be in adverse weather conditions. In no time at all the most violent hurricane that had been seen in the region for many a year was upon us. The yacht was picked up and flung about like a toy by a seemingly endless succession of gigantic towering waves. Strange as it may seem I found the situation an amazing turn-on… I grabbed Mia by the arm and dragged her below decks, I ripped off her bikini and started to eat her out. She was even more turned on than I was, she squeezed my cock and whispered: "Fuck me… Fuck me rigged… Ohhh yeah! Your cock, those bulging veins… Mmmm… Oh eat my pussy…" Her cunt juices gave off a faint tang of shellfish, it was a gourmet's delight, much saltier than Carla's. When I'd supped my fill I buried my cock deeply into her cunt. Despite the fact that she was so well lubricated the excitement of the situation had swollen my cock to unusual proportions and my brusque entry stretched her to the limits, making her cry out in pain: "Ohh you're splitting me in two… My god your cock… I'm dying…", she squealed clinging desperately onto my ass. Her small, nubile breasts, with their amazingly square sectioned nipples, glistened with her sweat and my saliva as I bit, sucked and chewed on them feverishly. As I was building up to the grand finale, driving like a piston, the yacht suddenly gave a tremendous lurch throwing us bodily to the floor and crashing into one of the saloon's armchairs. My cock was jerked free for a brief moment, but Mia threw herself on top of me, pinning me down, and with expert precision brought her ass over it and forced herself remorselessly down on top of me: "Ream my ass… Yeah! Split me in two… Hmmmphh…", she grunted completely out of control. The frenzied rhythm that she inflicted on my cock, driving her hips relentlessly back and forth was on the point of making me come when in one swift manoeuvre she whipped it out of her ass and took the whole length of it into her sensual mouth, until I could feel her tonsils fluttering around my bell-end and blocking of my urethra, a sensation so intense that I began to see stars: "What the fuck are you doing down here?", shouted Sean, reminiating us for not being up on deck to help rescue the occupants of a boat that had appeared in the midst of the storm, and was

about to go under. We dashed up on deck and found them desperately flinging a net down to two women in a small catamaran, which was taking on water from still sides. Sean had appeared at the most inopportune moment, but the real action was about to get started.

The waves had become truly awesome by the time we managed to pull them on board, and they were showing distinct signs of hypothermia. We took them down to the cabin and managed to bring them round a little with combination of rum and warm blankets. I found it impossible to resist feeling one of them up, stroking and feeling her whole body while trying to give the impression, of course, that I was only trying to warm her up. This was not far from the truth, however, as she soon responded by reaching out and squeezing my cock. Absorbed as I was in my own furtive groping I failed to notice that Cornelius and Rebeca were already getting it on with her friend. The truth is that these two bitches were both really stunning. I'd bet you anything that all alone on the big wide sea they'd have been eating each others pussies out on more than one occasion, in view of their horniness and lack of inhibitions in the current difficult situation. Immersed in the opening stages of another shag-fest we were all indifferent to the hurricane raging around us; nobody gave a fuck about the storm, the lightening, thunder or anything else.... We didn't even stop when a bolt of lightning hit the yacht, briefly electrifying all of us. Just as I was dipping my tongue into my little castaway's cunt a spark of electricity shot off the tip and crackled round her clit: "Ohh my god yeah! Gimme more of that... Please... Mmmm...", she begged, her hips jerking upwards convulsively. Cornelius was already giving the other one what for while she ate out Rebeca's pussy: "Oh my god ... this is a cruise I'm never going to forget.... Mmmph ... Shake it baby... That's the way.... You sure got the sweetest ass...". I crowed, slapping her cheeks until they glowed a deep red. It was fantastic, but our sexual fury did not unbalance us for a moment. Such was our determination to satisfy these slats and to fuck them till they begged for mercy that we forgot –at least I did- what was going on around us. Only another ejaculation, this time in the castaway's cunt, brought me back to the terrifying seriousness of our situation.

The storm raging all around us was of Dantesque proportions. Mia and Sean, stark naked except for their lifejackets, were trying to stay on their feet as they inflated a life-raft, while Paula struggled heroically to control the wheel and keep us on course: "Is there no way of avoiding this storm?" I asked, slipping into a lifejacket. Sean was in a state of shock, he'd never seen anything like this before: "It'd be better to be safe, help us with the life-raft...!" he said. Once we'd got that done we went to help Paula in the wheelhouse. Sean had a stonking hard-on, the danger of our situation excited him as much as it did me. He got behind Paula, slipping his cock between her cheeks as they both struggled with the wheel. For my part I was clinging to the rails and Carla had her hands and lips locked around my cock. An immense towering wave was sweeping down on us: "Time to go surfing...!" shouted Sean, slamming the motor into top gear and heading straight at that wall of water, trying to avoid the worst. "Hang onto whatever you can...", he warned. I grabbed my wife's head and she grabbed my ass. It seemed as if we were about to go over, but somehow we emerged in one piece on the other side, and after that the storm started to abate. The yacht's powerful motor roared: "We might not get shipwrecked... Ohhh... but someone's in danger... Mmmph... of drowning...." I groaned as I shot my load into Carla's mouth. She swallowed the lot, cum, salt water, rainwater... I love my wife because, among other things, she'll swallow anything. The waves were gradually getting smaller, Sean had found a way out, but suddenly the real problems started. The motor stalled, burnt out by the over-revving required to clear that last big wave. I scuttled down to the engine room to put out the fire that had started when the engine blew: "Hey Sean, pass me that extinguisher!", I shouted, he passed it down through the hatch, and I emptied the lot, screaming like a crazy man: "Go out bastard... Fuck... Get a load of this fucking foam...!"

Worn out we all fell into a healing sleep, adrift on the ocean, having first closed the watertight doors of the yacht's cabins, just in case the storm returned. I awoke to absolute silence and a motionless calm. I went up to the deck to stretch my legs and enjoy the sun's warmth. The anchor was still in place. I threw it out then dived in after it for a refreshing swim in the crystal-clear Caribbean waters. Shortly afterwards Rebeca and Paula appeared on deck naked and dived in after me. Paula submerged herself and gave me a fabulous submarine blowjob. Once more I was ready for whatever the day would bring. Then suddenly I heard a shout: "Hey crazy fuckers! get the hell out of there, can't you see the fucking sharks!", shouted Sean from the deck. We were about twenty yards from the boat. I grabbed a hold of Paula's ears, pulling her rapidly to the surface and the three of started to swim as fast as we could go for the safety of the yacht. We got their with seconds to spare before one of us lost a leg, or I lost my balls.... A complete examination team was organised around us. Mia and Carla taking good care of me while Cornelius and Sean set about the two bitches. In the meantime the two castaways were eating out each other's cunts in the wheelhouse. The main deck was the setting for the most lubricious and perverted scenes you could ever wish to see. Whenever we weren't fucking we ate and drank our fill of the best that the boat's ample larder could provide, which was plenty, in order to build up our strength. But inevitably our sexual and gastronomic appetites became mixed until the passions was converted into an endless Roman bacchanal. As Carla rode me I lay back on the deck and she fed me with delicious oysters, and Mia sucked my balls while Sean reamed her ass, after first liberally dousing it with champagne. The delightful intertwined bodies of the two castaways, anointed in suntan oil, slid in and around each other groaning and moaning with pleasure as their tongues played a thousand tricks with nipples, clits and cunt-lips. I started to salivate uncontrollably, and I just knew I had to fuck them. I lifted Carla off me and left her to Sean's attentions: "Hey Cornelius, about time we showed these two the virtues of a couple of stiff cocks, weddays say!". I said as he opened a bottle of champagne. He passed it to me and I took a healthy swig: "What the fuck are you bastards waiting for, or perhaps you're not up to it?", said the one nearest me. Her skin glistened beneath the midday sun and as I grabbed her she slipped out of my hands and scurried off. We chased them round the deck, which was fun for a while, but pretty soon they let themselves get caught. I slid my hands round every slippery nook and cranny of that gleaming body, then started to chew on her cunt, saying: "Wrap your lips round this baby.... It's all yours! Popeye's ready for you!". No sooner said than done, she started to deep-throat me with startling ease, sucking in my balls at the same time, briefly reminding me of that shark.... I mauled and pulled on her firm cheeks before sliding three fingers up her ass, which palpitated as it stretched to make way for my probing. Her legs kicked out weakly as she moaned with pleasure. Her clitoris was swollen and a deep glistening red as I pulled it from side to side. Her cunt juices literally flowed down her inner thigh, mixing with the suntan oil and dripping onto the deck.... Then suddenly, with a deafening roar a plane shot past, at a height of no more than 50 feet. It was the coastguard seaplane. I got back to what I was doing, the last thing we needed at that precise moment was to be rescued. Even if there'd been another storm on the horizon I'm sure nobody would have stopped. The next thing I did was to shove the slut down on all fours, spit liberally into that inviting, freshly-spread asshole and drive my throbbing overworked cock all the way home. I picked up a halyard, that I found to hand, slipped it over her head to serve as a rein, letting her sink her teeth into it so as to better bear my furious attacks, then used it as leverage to pull myself onto her with even greater force. I drove my hips forward with such fury that the whole boat appeared to rock and shake, finally shooting a seemingly endless fountain of hot and sticky cum right into her bowels. The seaplane taxied to a halt alongside us: "Are you guys alright?", asked a female voice over the megaphone. My only hope was that the crew of the plane would consent to join us. Fresh meat, I thought. The more cunts the better, and anyway the question seemed as if it might well have been rhetorical, after all from the air they must have got a pretty good view of what was going on. Sure enough the cavalry had come to rescue us but ended up trapped in our net. They stayed for a full week, and in the whole of that time we didn't catch sight of a single soul. After that they flew us back to Kingston. It took us a full week to recover from that trip, but then that's another story....
